

Synergy SKY CONNECT is an award-winning standards-based gateway that effortlessly connects any Zoom Room to all major web platforms (Microsoft Teams, Google Meet, Apple FaceTime and Webex)

The CONNECT Advantage: Top 5 Benefits

User-Friendly Experience

1. Dial go@joingw.com
2. Scan QR code on screen and connect the Zoom Room direct into any meeting or numeric dial in with meeting ID

Versatile Content Sharing

Share and receive content however you like. Synergy CONNECT supports sending and receiving content sharing across platforms, including PowerPoint Live, Whiteboarding and Screen sharing.

Future-Proof Interoperability

Built to evolve. Synergy CONNECT is ready for new features and web meeting platforms, ensuring your video systems stay relevant as collaboration technology advances.

Sustainable Investment

Maximize the value of your existing video infrastructure. CONNECT brings modern high-quality interoperability to all your Zoom video devices — no need to replace devices. It works regardless of the type and model of the device, making it a sustainable solution.

Supports all Zoom Room Hardware Vendors

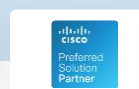

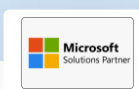

CONNECT works independently of the hardware manufacturer; Lenovo, Logitech, HP Poly, Neat, DTEN etc.
